SOCIAL PROGRAMME

We've put together a full programme of inclusive extracurricular activities to help you make the most of your time in England. During your two weeks with us, you'll get involved with the following activities:

▪ Colchester

Explore the oldest recorded town in the UK and former capital of Roman Britain, learning about its history over 1000 years with a walking tour from a local expert. Afterwards, you'll have the evening to check out the best places to eat and drink and get to know your new home. Why not check out the Castle, dating back to Norman England, wander our medieval cobbled streets and see where Humpty Dumpty fell off the wall during the Civil War? (Plot twist: Humpty Dumpty wasn't an egg...)

▪ Dedham

Get to know Essex's famous countryside, home of the artist John Constable, with a relaxing walk through stunning rural landscapes and sip a cool drink afterwards in a pub dating back to the 1400s.

▪ Southend

Like the beach? We do too! Enjoy an ice cream on the longest pleasure pier in Europe, try your hand at an arcade and take home a traditional stick of rock (candy) – just remember your sun cream.

▪ Warner Bros Studio Tour London: The Making of Harry Potter

Discover the magic of the Wizarding World with a trip to the Warner Bros studios where Harry Potter was filmed. Go behind the scenes and explore the sets, get up close with magical creatures – and wear your house colours with pride!

▪ Colchester Zoo

Visit over 200 species from Aardvarks to Zebras at Colchester's own award-winning Zoo (2021 Trip Advisor Travellers Choice Award) – as the largest private zoo in the UK with over 60 acres of parkland and lakes, there's plenty to discover.

▪ London

Visit the capital and enjoy everything London has to offer. We'll take you on a river cruise down the Thames while you take in the city's landmarks, then the rest of the day is yours to explore. Not sure where to go? Our student ambassadors will have plenty of suggestions.

▪ Sunday Lunch

Try Sunday eating the British way with a traditional Sunday dinner! A weekly staple in Britain for over 500 years, you'll soon find out why the combination of gravy, potato, vegetables, Yorkshire pudding and roast meat has been enduring in its popularity. If you aren't a meat eater, not to worry – with vegetarian and vegan options widely available, everyone can participate.
